American.

SUNBURY, MARCH 31, 1876.

For President: GEN, JOHN F. HARTRANFT, OF PENNSYLVANIA [Subject to the decision of the Republican N

JUDGE JERRY BLACK's opinion of the Democratic House of Representatives was expreseed, according to a Washington correspondent, in the following emphatic terms. He was remenstrating against the committment of his client, Kilbourne, when one of his Democratic friends said : "But Judge, we couldn't do differently." "Couldn't do differently!" retorted the out as garbage yourselves!"

Governor?" The query is well put. The with them, they declare. either Hill or Tucker.

THE Lancaster correspondent of the New York Times classes Buckalew, who heads the Democratic Electoral ticket, as a Wallace man. The conversion must ability have been very recent, then. Our conviction is that if Wallace's political life depended upon Buckalew, his head would go off as quickly as Buckingham's when Richard the Third captured him. There may be a truce that exist between a dog lie service, to the end that all corrupt pracand a cat who cannot get at each other.

LANCASTER CONVENTION.-The State Convention of the Democracy held at Lan- ever may be their station, may be exposed satisfaction. - Watsontown Record.

What a whopper! If it had not been a convention of modern Democrats, we might have been induced to believe the above, but as several were ejected from the convention for their boisterous conduct, and many honest Democrats left the city, and did not go into convention, it does not that the proceedings give "universal satis-

DEMOCRATIC PLATFORM.-The following is the platform adopted at the Lancaster Convention on Wednesday of last week :

THE PLATFORM. "The Democracy of Pennsylvania in convention met reasserts its oft-repeated declarations of devotion to all of the provisions of the Federal Constitution and to a perpetual union of the States; pledges itself to rigid fidelity to public trusts, to a pure and economical administration of the Federal, State and municipal governments: to local self-government in every section; to the honest payment of the public debt, and to sound preservation of the public faith. They see, with humiliation and alarm, the evidences of bribery, fraud, and

peculation in high places; the distress that prevails, and the wide-spread financial ruin and they charge that these evils are the di like the owl, they are keeping up a very Judge contemptuously; "couldn't do dif- unwise legislation, vicious policy, extrava- ble that Democratic editors should be referently! decision will not only be appreciated by hands of the Republican party, and they you, and the gentleman you represent, but feel it best to go to Cincinnati unpledged. that they will not be denied a measure of that the best man may be put in nomina life. If, on the completion of my present affections of the Republicans of New York Senatorial term, the same desire to approve | The shysters in the party don't like him, them the cashier of the First National done, and a juster estimate can then be support the honest Kentuckian with a bur-

rah. He has done his whole duty, a d i very strong here. Mark this, New York is going to press him in spite of instructions. There is an overwhelming sentiment in his favor, now, and it is growing. A CENTENNIAL BLUNDER.

All sorts of schemes are on foot to raise money for the centennial. There is to be a great ball the 27th of next month for the purpose of getting a few thousands. By the reports from the committee of the centennial, it seems as if the women of America were not to have anything to show except pictures. There will not be wall Mr. Editor: Please say to any of your space enough for all that are sent. All readers who may be thinking of coming right. Mrs. Washington spun and wove to Philadelphia to find work, that they cotton dresses striped with silk rayeled from old stockings for her family; and the Winslow women, who are justly entitled with men from all parts of the country, to be called the first ladies of the country. who have imagined that the Centennial as they came over among the first to Mass would bring with it plenty of employment achusetts, were clever at embroidery and bead work, but their descendants have no such skill to display, or are not to be allowed to display it. All that the executive committee of the centennial want to enment because of the stoppage of the wheels | courage in women is the ability to sculp and paint. Now a plain man may be excused for putting in a word here. I believe that I speak the sentiments of a good many people of the best class in saying that visitors to the centennial would be greatly inmand. The new comers are not only bit- terested to see all departments of woman's work represented there. They would like to see such relics of needlework as were left tie means is soon exhausted, and they are by women of revolutionary times, who driven often to the very verge of starva- were notable house-keepers, and boasted skill with their needles that will show creditably at even this lapse of time. There is not an old family in the country which has not treasures hoarded up of lace and sampler work, knitting and embroidery that is, pictures by the needle, and fancy work-whose name is legion. We staid,

conservative people would like to refresh our ideas of old times by comparing these dainty reminiscences with what our right slever daughters and sisters can do. We would like to see the finest evidences of skill in every department of woman's labor exhibited, to the credit and encouragement of the industrious as well as the glorificamonths of December, January, and Feb. botton abroad that it is unbecoming to be expert at house-keeping, that all a young women is to think fit to devout herself to is that number who were committed at their gausic or art, forgetting that not one in a thousand has talent enough in either direc-
